Maybe even better than free.

Alternatively you can choose to share your download links on blogs, forums and social networking sites. If only we could, we surely would! On the other hand, using file can actually save you money. Files can be downloaded from any computer from our high speed servers. You can give this download link to your friends by mail or instant messenger. The cost of that data transfer is covered by your internet service or the data plan on your phone. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Unfortunately, we can't make that part free. Our service is completely free for everyone. filehosting provides an easy possibility for you to send large files to your friends. Using file, you can circumvent those limits without paying to upgrade your team chat service. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. So try our free and simple filehosting service now. It is also allowed to link to the download page from websites and communities. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. There are no restrictions on the number of times a file can be downloaded. Any file in any format can be uploaded and downloaded for free. Keep your files private, or send your download links only to friends and we send you a download link to your file. You can upload any type of file (movies, music, documents, images, zip files and more). You don't need any special software installed to be able to download your files. File is free to use with no gotchas and no hidden fees. You decide who you want to share your files with. No account or credit card is required to get started. Simply upload your file and share the link. We have no file size limit. Your wallet will be none-the-lighte
