Maybe even better than free.

You don't need any special software installed to be able to download your files. filehosting provides an easy possibility for you to send large files to your friends. Using file, you can circumvent those limits without paying to upgrade your team chat service. Just upload the file you want to share with your friends and we send you a download link to your file. File is free to use with no gotchas and no hidden fees. Simply upload your file and share the link. There are no restrictions on the number of times a file can be downloaded. Our service is completely free for everyone. You decide who you want to share your files with. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. If only we could, we surely would! On the other hand, using file can actually save you money. Keep your files private, or send your download links only to friends or family. You can give this download link to yourfriends by mail or instant messenger. The cost of that data transfer is covered by your internet service or the data plan on your phone. Files can be downloadedfrom any computer from our high speed servers. No account or credit card is required to get started. It is also allowed to link to the download page fromwebsites and communities. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred betweenyour computer or phone and our servers, then from our servers to your friends device. We have no file size limit. Unfortunately, we can't make that part free.Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can betransferred within their apps. You can upload any type of file (movies, music, documents, images, zip files and more). Any file in any format can be uploadedand downloaded for free. So try our free and simple filehosting service now. Alternatively you can choose to share your download links on blogs, forums andsocia
